

CERTIFIED RECORD OF LAND CORNER MONUMENTATION

History of original corner establishment:

Line tree established by Albert O. Echelson, Deputy Surveyor, under G.L.O. Joint Contract No. 328 dated June 20, 1879.

Surveyor General's records state:
East on South boundary of Sec. 31
23.50 A Pine 18 in. diam.

~~2~~-2/3
F.B.2 Pgs.47&49

Description of corner evidence found:

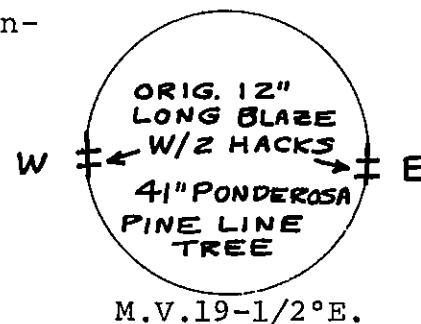

At assumed line tree location found a 41" Ponderosa Pine with line blaze 12" long with 2 hack marks on both East and West sides of tree. Chopped into overgrowth to age date and confirm marks are original. The original size call of 18" is a mistake as this tree was approximately 36" when marked. Top is broken out of tree approx. 30 feet above ground. I accept as the original line tree and use to define line along Standard Parallel.

Description of monument and accessories I established to perpetuate the original location of this corner:

Painted red band around line tree and nailed "Attention-sign 54-4" signs on South and North sides of tree.

Marked bearing trees:

A 5" Juniper bears North 59° West, 37.8 ft., scribed-"X" at DBH "BT";
A 17" Ponderosa Pine bears North 10-1/4° East, 99.3 ft., scribed-APS31BT.

Set steel post 5 feet West with sign 54-4 facing line tree. Painted red band and face red and nailed signs 54-3 and 54-4 to BT's. Nailed brass washer stamped "AS&E LS1026" to face of new BT's.

I hereby certify that the above line tree was re-established as herein described on June 4, 1987.
