

CERTIFIED RECORD OF LAND CORNER MONUMENTATION

History of original corner establishment:

Corner was established by Homer D. Angell, US Deputy Surveyor, during the original survey Contract No. 725 dated March, 1901.

Set a basalt stone, 15x8x6 ins., 10 ins. in the ground for 1/4 sec. cor., marked 1/4 on N. face, from which

A spruce, 40 ins. diam., bears S35°E, (18.5')28 lks. dist., marked 1/4 S29 BT

A fir, 12 ins. diam., bears N40°E, (34.3')52 lks. dist., marked 1/4 S20 BT

Description of corner evidence found:

16x8x6 stone laying with its top to the west and 1/4 facing up.

Fir very rotted remains at a stump hole (1901 BT) bears at record

Fir very rotted remains (1901 BT) bears at record

Description of monument and accessories I established to perpetuate the original location of this corner:

Set a 2"x30" aluminum pipe with a 3/4" aluminum cap, marked as shown in the diagram, 26" in the ground, replacing the rock which is turned upside down and buried on the north side of the monument. Built a mound of earth & rock to be 28" in diameter by 4" high around the monument, from which new BTs are:

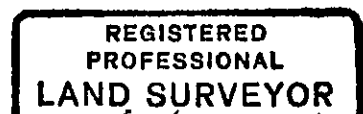

8" White fir bears N42° 15'E, 34.6 feet scribed 1/4 S20 BT

10" Western larch bears S18°E, 19.9 feet scribed 1/4 S29 BT

Attached BT and Attention signs to and painted a red band around each BT. Bearings were turned from the control traverse with a theodolite, basis of bearing being a solar observation, to stamped brass washers nailed in the scribed red-painted blazes. Distances were measured from a 60d spike, with an aluminum washer stamped PLS 699, which was driven into the side of each BT approximately one foot above the ground.

Set steel fence posts 5 feet E and 5 feet W of the corner on the National Forest Wilderness lines. Attached Wilderness Boundary signs to each post and an Attention sign to the E post.

I, Leland L. Myers, P.O. Box 98, Sumpter, OR 97877, do hereby certify that on October 24, 1987, I monumented the corner as herein described.
