

CERTIFIED RECORD OF LAND CORNER MONUMENTATION

History of original corner establishment:

Corner established in 1881 by S. W. Lackland
under General Land Office Contract No. 415
Surveyor General Record states:

Set basalt stone 15"x7"x6", 12" in ground for $\frac{1}{4}$
section corner marked $\frac{1}{4}$ on North face
Raised mound of stone, 4 ft. at base and 2 ft.
high alongside

Description of corner evidence found:

After a diligent search without finding the original corner stone or acceptable evidence, I declared the corner lost. The stone was probably lost due to logging in the area.

See Record Map of Survey No. 897.

Description of monument and accessories I established to perpetuate the original location of this corner:

At single proportionate measure between the NE corner and NW corner of Section 12, I set a $2\frac{1}{2}$ "x30" aluminum pipe with aluminum cap, 27" in the ground marked as shown, with a mound of stone to top of cap.
From which I scribe new BT's:

A P. Pine 9" diam. bears N. 34° E., 10.7 feet marked $\frac{1}{4}$ S1 BT.
A P. Pine 7" diam. bears S. 46° E., 11.7 feet marked $\frac{1}{4}$ S12 BT.

Corner set by: R. D. Bagett
Witness: T. R. Steele

Sept. 19, 1985

Monument Marked

Nailed brass washer marked OPLS 598 to lower blaze of new BT's. Painted 6" red band around new BT's above blaze and attached BT sign and attention sign to BT's. Set steel fence posts approx. 5 feet South from monument and attached appropriate signs as called for in my contract. Used magnetic compass with 18° E. Var. and steel tape distance measured to a 40d nail driven in the side center at root crown of new BT's.

Office of.....Surveyor..... County of.....Grant.....
