

CERTIFIED RECORD OF LAND CORNER MONUMENTATION

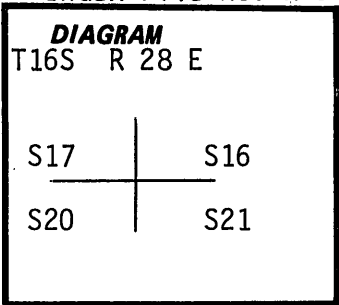

Index File No. N-9

History of original corner establishment:

Original Survey by Ramford Robb under GLO Contract No. 366, dated August 18, 1880.

Set stone 20x14x6 in mound of stones for corner to Secs. 20-21-17 & 16.

From which a Pine 10 in dia. bears S82°W, 60 lks. dist.

Description of corner evidence found:

Found stone 19x12x6 with "+" on top and 3 notches on North corner and 2 notches on West corner.

Found Old BT with open blaze and scribing in good condition. The BT bears S38°W, 60 lks. from the stone instead of the S82°W called for in original notes. Since the call distance is good and the blaze on the BT faces the stone there seems to have been an error in the recording of the bearing to the BT. Therefore accepted the location of the stone as the true corner.

Description of monument and accessories I established to perpetuate the original location of this corner:

In place of original stone set 2½"x30" galvanized pipe with brass cap stamped: Set pipe 18" in ground to rock and built mound of stone to cap. Buried original stone beside pipe.

From which:

A P. Pine 23" in dia. bears S38°W, 39.6 ft., scribed S20 T16S R 28E (this is original BT).

A P. Pine 8" in dia. bears N54°W, 32.5 ft., scribed T16S, R 28E, S 17 BT.

A P. Pine 9" in dia. bears N51°E, 12.75 ft., scribed T16S R 28E S16 BT.

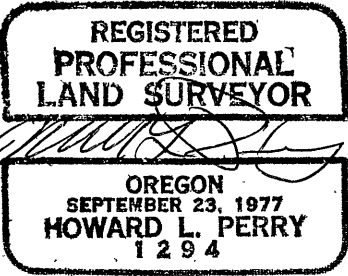

A P. Pine 5" in dia. bears S12°E, 16.5 ft., scribed T16S R 28E S21 BT.

Attached 54-3 and 54-4 signs to all BT's. Attached brass washer stamped LS 1294 to foot blaze of new BT's. Painted blazes and 6" band around new BT's orange. Attached 54-4 sign to metal fence post 5 ft. south of corner.
