

CERTIFIED RECORD OF LAND CORNER MONUMENTATION

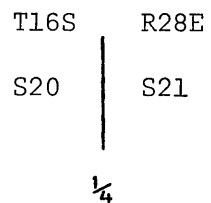

History of original corner establishment:

Corner established in 1880 by Bamford Robb, under General Land Office Joint Contract No. 366.

Surveyor General's records state:
Set stone 14x12x8 in. mound of stone for $\frac{1}{4}$ sec. cor. from which a pine 6" dia. bears N 70° E 24 lks dist.

Note: No restoration appears in County records.

DIAGRAM

Description of corner evidence found:

At assumed corner location, I found 12x8x3 in. basalt stone buried 12" in the ground, with faint $\frac{1}{4}$ from which a pine 16" dia. bears N 13° E 24 lks.

I opened the Blaze and found scribing to verify it as a B.T. Did not open complete face.

The opened face, faces toward the stone found. The original call of N 70° E would put the stone out of position and the face of the tree out of bearing. Accepted location of stone as being the true corner position.

Description of monument and accessories I established to perpetuate the original location of this corner:

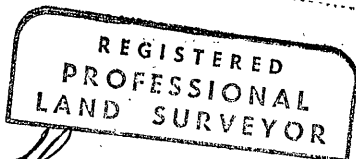

As the evidence in vicinity of corner agrees within limits to the original record, at the location of the found 12x8x3 in. stone, I set a 30 inch by 2 inch dia. galvanized iron pipe in ground, in a mound of stones, with 2 inch brass cap marked:

T16S R28E
 $\frac{1}{4}$
S20 S21
1978
PLS 1067

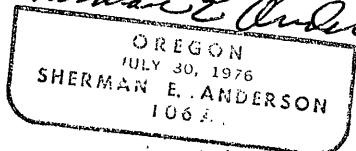

New Bearing Trees:

P.P. 24 inches dia. bears S 5° 45' E 11.85 feet dist., scribed $\frac{1}{4}$ S 21 BT
No trees within limits for section 20. Placed brass washer below 14" level on original and new Brg. Tree. I buried original stone 12x8x3 in. alongside the iron pipe and placed USFS bearing tree and Attn. signs on the B.T. I hereby certify the above corner monument was re-established as herein described on June 1, 1978,

Witness: Johnny D. Smith
Assistant

Sherman E. Anderson
