PLS 699

**Description of corner evidence found:**

11x9x9 stone with 1/4 on N face set in a mound of stone.  
34" Ponderosa pine ( Dead ) (Scribing Visible) (1880 BT) bears N27°E, 29.2 feet

**Description of monument and accessories I established to perpetuate the original location of this corner:**

Set a 2"x30" aluminum pipe with a 3/4" aluminum cap, marked as shown in the diagram, 26" in the ground, replacing the rock which is turned upside down and buried on the north side of the monument. Improved the existing mound with rock & earth to be 30" in diameter by 4" high around the monument, from which new BTs are:

- 8" White fir bears S63°W, 7.5 feet scribed 1/4 S4 BT
- 6" Douglas-fir bears N44° 30'W, 19.1 feet scribed 1/4 S33 BT

Attached BT and Attention signs to and painted a red band around each BT. Bearings were taken with a staff compass, using a declination of 18° 30'E, to stamped brass washers nailed in the scribed red-painted blazes. Distances were measured from a 60d spike, with an aluminum washer stamped PLS 699, which was driven into the side of each BT approximately one foot above the ground.  
Set a steel fence post 5 feet E of the corner with an Attention sign attached. The monument is not a National Forest property corner.

I, Leland L. Myers, P.O. Box 98, Sumpter, OR 97877, do hereby certify that on June 9, 1986, I monumented the corner as herein described.
