

**CERTIFIED RECORD OF LAND CORNER MONUMENTATION**

**History of original corner establishment:**

Corner was established by Bamford Robb, US Deputy Surveyor, during the original survey Joint Contract No. 357 dated July, 1880.

Set Stone 14x8x8 in mound of Stone for Cor to Secs 3, 4, 33 & 34 from which

- A pine 14 ins diam bears S20°E, (31.5') 78 lks dist
- A pine 12 ins diam bears N5°E, (27.7') 42 lks dist

1986	
PLS 699	

**Description of corner evidence found:**

The corner appears to have been in a very old skid road and no rocks were found near the corner location as measured from the BTs.

- 32" Ponderosa pine (Good Condition) (Scribing Visible) (1880 BT) bears S36°E, 52.0 feet. Bad original bearing.
- 21" Ponderosa pine (12" Stump) (Partial Blaze) (1880 BT) bears N4° 45'E, 28.3 feet.

**Description of monument and accessories I established to perpetuate the original location of this corner:**

Set a 2"x30" aluminum pipe with a 3 1/4" aluminum cap, marked as shown in the diagram, 26" in the ground, at the point determined by the bearing trees. Built a mound of rock & earth to be 30" in diameter by 4" high around the monument, from which new BTs are:

- 7" Douglas-fir bears N5° 45'E, 33.5 feet scribed T16SR30E S34 BT
- 9" Douglas-fir bears S2° 30'W, 23.7 feet scribed T17SR30E S4 BT
- 10" Ponderosa pine bears N60°W, 19.0 feet scribed T16SR30E S33 BT

Attached BT and Attention signs to and painted a red band around each BT. Bearings were taken with a staff compass, using a declination of 18° 30'E, to stamped aluminum washers nailed in the scribed red-painted blazes. Distances were measured from a 60d spike, with an aluminum washer stamped PLS 699, which was driven into the side of each BT approximately one foot above the ground.

Set a steel fence post 5 feet N of the corner with an Attention sign attached. The monument is not a National Forest property corner.

I, Leland L. Myers, P.O. Box 98, Sumpter, OR 97877, do hereby certify that on March 17, 1986, I monumented the corner as herein described.
