

CERTIFIED RECORD OF LAND CORNER MONUMENTATION

History of original corner establishment:

Original corner established by Samuel Lackland, deputy surveyor, under G.L.O. contract No. 357 dated July 2, 1880. Surveyor general's record states: North 89°39' West on true line between Sections 4 and 9.

40.04 Set post for 1/4 section corner with pits and mound as per instructions.

E - 11
F.B. 8 P. 68,69,70

Description of corner evidence found:

At assumed corner location found no evidence of original post, mound or pits and I consider corner lost and re-establish by survey. Corner falls in open Sagebrush flat on the South side of an East- West fence line. The fence line is located approximately 25 ft. North and my examination here and along the line East and West indicates it is only an approximate location and not a perpetuation of the original survey. No perpetuation of the original corner was found.

Description of monument and accessories | established to perpetuate the original location of this corner:

At proportionate position as determined by survey set a 2-1/2"O.D.x30" long aluminum pipe 18" in ground to bedrock with a 2-1/2" diameter aluminum cap marked as shown: Raised a 3 ft. diameter stone mound to cap.

BT Marked:

A 10" Ponderosa Pine bears North 31-1/2° West, 131.7 ft., scribed "1/4S4BT". Painted a 6" red band and face blaze red. Nailed signs 54-9 and 54-3 to BT. Nailed a brass washer stamped "LS1026" to face blaze of BT. Set a steel post 5 ft. East of cap with signs 54-9 and 54-2.

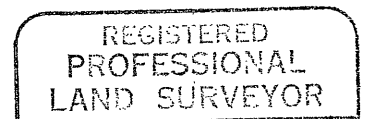

RM Set:

A 1"x24" long iron rod bears South 48° West, 19.95 ft., stamped "RM S9 LS1026 1989". Set a steel post with sign 54-9 1 ft. past RM on line with cap. Bearings are by staff compass and declination is 19-1/2° East.

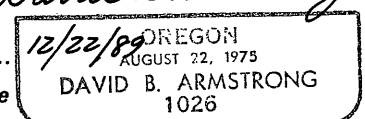

I hereby certify that the above corner monument was re-established as herein described on November 7, 1989.
