Description of corner evidence found:

Found an old mound of stone typical of work by S.W. Lackland, with a stone of approx. call size in the center. No marks are visible however the stone is soft sandstone and the marks have weathered off. Found the Remains of the NE Bearing tree, down and nearly completely decomposed, with no scribing visible. The Root hole matches record measurement to the above described stone. The other tree falls in an old logging skid trail and no trace remains. The stone fits nearly perfectly with corners found 2-1/2 mi. North and 1/2 mi. South. Accepted the said stone as the section corner position.

Description of monument and accessories I established to perpetuate the original location of this corner:

Set 2-1/2"x30" aluminum pipe with 3-1/2" aluminum cap, stamped as shown on the **DIAGRAM**, SET 22" in the ground and placed a ring of stone filled with earth around the pipe.

From Which:

A Pine 10" dia., Bears N63°W., 8.1 ft., scribed: T16S R32E S17 BT
 A Pine 10" dia., Bears N55°E., 11.4 ft., scribed: T16S R32E S16 BT
 A Pine 10" dia., Bears S53°E., 16.1 ft., scribed: T16S R32E S21 BT
 A Pine 8" dia., Bears S47°W., 12.5 ft., scribed: T16S R32E S20 BT
 Measurements to trees taken with a metal tape and magnetic compass, with Declination set off 20 deg. East.
 Nailed a brass washer stamped RLS 848 on blaze above BT scribe, Bearing Tree Sign above blaze, and warning sign on back of each tree. Painted a 6" red band at breast ht. around each tree. Set steel fence post with warning Sign, North 4 ft. from the corner.
