Description of corner evidence found:

I searched for the post, pits and mound, and the marked stone but was unable to find any evidence. The proportioned position falls in bottomland of Bear Creek and the area shows extensive evidence of disturbance by cattle. The proportioned position and center of the search area agrees very well with a call for Bear Creek (now a channel scar) two chains to the South.

Description of monument and accessories I established to perpetuate the original location of this corner:

Set a 3-1/4" x 28" aluminum monument 20" in the ground by single proportion and erected a mound of stone around the monument.

15" Ponderosa Pine bears N39-3/4°W 138.4 ft, scribed "1/4S24BT" with washer "LS 1918".

9" Ponderosa Pine bears N5-1/4°E 137.8 ft, scribed "1/4S19BT" with washer "LS 1918".
