

CERTIFIED RECORD OF LAND CORNER MONUMENTATION

INDEX No. A-9AM

History of original corner establishment:

This corner was originally established by Henry W. Cooke, in 1884, under GLO Contract No. 494. Surveyor General Field Notes state:

Intersect 3d Standard Parallel South 741 lks east of Standard Cor to secs 31 & 32 T15S R34E at which point I set a basalt stone 20x14x10 ins 15 ins. in ground for closing cor. to secs 4 & 5 marked CC with 4 notches on E and 2 notches on W edges from which

A pine 16 ins. dia. bears N62°E, 34 lks. dist marked T15S R34E S32 BT

A tamarack 36 ins. dia. bears S60°E, 38 lks. dist marked T16S R33½E S4 BT

A pine 30 ins. dia. bears S18°W, 38 lks. dist. marked T16S R33½E S5 BT

Description of Corner Evidence Found:

Found stone 16"x9"x5" lying loose on surface and no marks. I do not believe this is the original stone.

Western Larch stump, 24" dia., with scribing. Record bearing and distance = S60°E, 25.08 ft.

Ponderosa Pine, 36" dia., with scribing visible. Record bearing and distance = N62°E, 22.44 ft.

Description of monument and accessories I established to perpetuate the original location of this corner:

At the best fit from the original bearing trees I set a 2-1/2"x30" aluminum pipe with 3-1/2" aluminum cap, stamped as shown on the DIAGRAM, 26" in the ground.

From Which:

No bearing trees to this monument.

The original bearing trees bear:

Western Larch Stump bears S61°42'E, 24.49 ft.
Ponderosa Pine bears N64°18'E, 22.16 ft.

I find this corner is north of the 3rd Standard Parallel. As per 5-41 (pg 140) of the 1973 BLM Manual, I amended this monument and placed a monument at the true point of intersection on the senior line, which bears S00°02'43"W, 2.46 ft. from this original corner. The position of this original corner controls corner positions to the south.
