Description of Corner Evidence Found:

Found 13"x12"x9" stone, set 6" in the ground, with 3 notches on east and west edges and CC on north face.

Lodgepole Pine stump, 14" dia., with scribing visible, bears N4°34'E, 12.30 ft. (Rec: N5°E, 12.54 ft.)

Western Larch stump, 50" dia., with opened face and scribing, bears S67°43'W, 31.40 ft. (Rec: S70°W, 31.68 ft.)

Description of monument and accessories I established to perpetuate the original location of this corner:

Moving the original corner stone aside I set 2-1/2"x30" aluminum pipe with 3-1/4" aluminum cap, stamped as shown on the DIAGRAM, 26" in the ground, and amended it to the senior line.

No BT's were taken to this monument.

I find this stone is south of the 3rd Standard Parallel. As per 5-41 (pg 140) of the 1973 BLM Manual, I amended this monument and placed a monument at the true point of intersection on the senior line, which bears N00°07'10"E, 9.28 ft. from this original corner. The position of this original corner controls corner positions to the south.
