

**CERTIFIED RECORD OF LAND CORNER MONUMENTATION**

INDEX No. G-9

**History of original corner establishment:**

Corner was originally established by Bamford Robb, in Aug, 1880, under General Land Office Contract No. 366. The U.S. Surveyor Generals Notes State: Set stone 16x12x8 in mound of stone, for 1/4 sec. cor.

from which:

A pine 40 in. dia. bears N80°E., 89 lks. dist.

**Description of corner evidence found:**

Search area falls Southeast from a primitive road no trace of the original stone or stone mound.

Found a 46" Pine stump, low cut, no marks visible which would fit search area and an old part of a root cluster which would fit the search area, but no conclusive evidence, therefore set the corner at proportionate measure between the section corner found 1/2 mi. North and the section corner as established at proportionate measure, 1/2 mi. South.

**Description of monument and accessories I established to perpetuate the original location of this corner**
