

CERTIFIED RECORD OF LAND CORNER MONUMENTATION

History of original corner establishment:

Corner was established by A. O. Eckelson, US Deputy Surveyor, during the original survey Joint Contract No. 366 dated August, 1880.

Set post for $\frac{1}{4}$ Sec cor from which

A pine 24 ins diam bears N20°W, (10.6') 16 lks dist

A pine 30 ins diam bears N30°E, (39.6') 60 lks dist

Description of corner evidence found:

Heavy logging activity and fire damage in the area of the corner. Found a unique notch " " on a stump that was not a bearing tree, but is often found near corners. No evidence of the original post was found.

24" pine and 30" pine (1880 BTs) not found.

Description of monument and accessories I established to perpetuate the original location of this corner:

Set a 2"x30" aluminum pipe with a 3 $\frac{1}{4}$ " aluminum cap, marked as shown in the diagram, 28" in the ground, at single proportionate measurements from adjacent found corners. Built a mound of earth to be 30" in diameter by 2" high around the monument, from which new BTs are:

9" Douglas-fir bears N38°E, 30.4 feet scribed $\frac{1}{4}$ S1 BT

9" Ponderosa pine bears N39° 45'W, 16.6 feet scribed $\frac{1}{4}$ S2 BT

Attached BT and Attention signs to and painted a red band around each BT. Bearings were turned from the control traverse with a theodolite, basis of bearing being a solar observation, to stamped brass washers nailed in the scribed red-painted blazes. Distances were measured from a 60d spike, with an aluminum washer stamped PLS 699, which was driven into the side of each BT approximately one foot above the ground.

Set a steel fence post 5 feet N of the corner with an Attention sign attached. The monument is not a National Forest property corner.

I, Leland L. Myers, P.O. Box 98, Sumpter, OR 97877, do hereby certify that on June 26, 1986, I re-established the corner as herein described.
