

CERTIFIED RECORD OF LAND CORNER MONUMENTATION

History of original corner establishment:

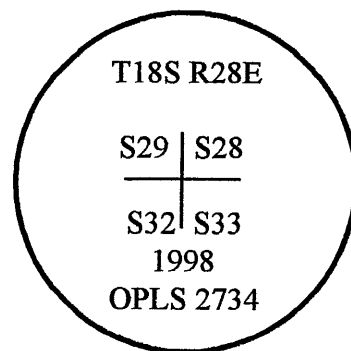

Original corner established by: Henry W. Cooke, Deputy Surveyor,
under Contract No. 494, dated Jan. 16, 1884.

Surveyor General Record States: Set a basalt stone 18x16x6 inches, 12
inches in ground for corner to Sections 28,29,32 & 33 marked with 1
notch on south and 4 notches on east edges, from which:

A pine 36" diam. bears N15°W, 210 lks. dist marked T18SR28ES29BT

A pine 40" diam. bears N10°E, 225 lks. dist marked T18SR28ES28BT

No other trees within limits, raised a mound of stone alongside.

Description of corner evidence found:

Found a stone, 17x12x7 inches, marked with 1 notch on the south face, the stone was broken and
deteriorated on the other face, with a mound of stone alongside.

From which a 34" pine snag bears N6°W, 133.1 feet, to the face,
marked T18SR28ES29.

No remains of the other BT were found.

Description of monument and accessories set at corner location:

I accept the position of the original marked corner stone. At the corner position I set a 2½"x30"
aluminum pipe with attached 3" aluminum cap, 26 inches in the ground, surrounded by a mound
of stone. I buried the original corner stone west and alongside the pipe. The cap is stamped as
shown in the diagram.

From which I scribe new bearings tree:

A 6" Juniper bears N79°E, 42.43 feet, marked XBT.

A 14" P.Pine bears S51°E, 65.21 feet, marked T18SR28ES33BT.

A 6" Juniper bears S76°W, 26.37 feet, marked T18SR28ES32BT.

A 4" Mahogany bears N41°W, 36.99 feet, marked XBT.

I used a magnetic compass, with 20° east variation, to center of BT's and steel tape measuring to
a 50d nail driven in the side center at the root crown of the BT's.

Date: June 26, 1998

Office of Surveyor County of Grant
State of OREGON, I hereby certify that the within instrument was filed in this office
for record on the 7 day of July, 1998.
