

CERTIFIED RECORD OF LAND CORNER MONUMENTATION

History of original corner establishment:

Corner was established by Rufus S. Moore, US Deputy Surveyor, during the original survey Contract No. 382 dated March, 1881.

Set a basalt stone 12x8x8 and made mound of stone for 1/4 sec. cor.

Description of corner evidence found:

Found a stone 12x9x8 set firmly in the ground, but no markings could be found. There were no other rocks of the proper size in the area of the corner location.

Description of monument and accessories I established to perpetuate the original location of this corner:

Set a 2"x30" aluminum pipe with a 2 1/4" aluminum cap, marked as shown in the diagram, 22" in the ground to solid rock, replacing the rock which is turned upside down and buried on the north side of the monument. Built a mound of rock to be 30" in diameter by 8" high around the monument, from which new BTs are:

- 15" Juniper bears N27°15'E, 124.4 feet scribed 1/4 S21 BT
- 12" Juniper bears N68°30'W, 133.9 feet scribed 1/4 S20 BT

- A Blue DEEP buried 10" in the ground bears S27°15'W, 2.0' with a brass washer inside stamped PLS 699
- A Pink DEEP buried 8" in the ground bears S68°30'E, 2.0' with a brass washer inside stamped PLS 699

Attached BT and Attention signs to and painted a red band around each BT. Bearings were turned from the control traverse with a theodolite, basis of bearing being the bearing between corners G-13 and N-13 as shown on Grant County Map of Survey No. 634, to stamped brass washers nailed in the scribed red-painted blazes. Distances were measured from a 60d spike, with an aluminum washer stamped PLS 699, which was driven into the side of each BT approximately one foot above the ground.

Set a steel fence post 5 feet S of the corner with an Attention sign attached. The monument is not a National Forest property corner.

I, Leland L. Myers, P.O. Box 98, Sumpter, OR 97877, do hereby certify that on October 30, 1989, I monumented the corner as herein described.
