

**CERTIFIED RECORD OF LAND CORNER MONUMENTATION**

**History of original corner establishment:**

Corner was established by Herman D. Gradon, US Deputy Surveyor, during the original survey Joint Contract No. 416 dated August, 1881.

Set a basalt stone 12x8x6 ins. 8 ins in the ground, for 1/4 sec. cor. marked 1/4 on W face; from which

A pine 24 ins diam bears S60°E, (52.8')80 lks dist. marked 1/4 S BT

A pine 15 ins diam bears N75°W, (55.4')84 lks dist. marked 1/4 S BT

PLS 699

**Description of corner evidence found:**

14x8x6 stone with 1/4 on west face firmly set under the remains of an old rock jack.

32" Ponderosa pine (Good Condition)(Blaze Opened by Others)(1881 BT) bears S61° 15'E, 55.3 feet

24" Ponderosa pine (Good Condition)(Blaze Opened by Others)(1881 BT) bears N74°W, 56.0 feet

**Description of monument and accessories I established to perpetuate the original location of this corner:**

Set a 2"x30" aluminum pipe with a 3/4" aluminum cap, marked as shown in the diagram, 24" in the ground, replacing the rock which is turned upside down and buried on the north side of the monument. Built a mound of rock to be 34" in diameter by 6" high around the monument.

No new bearing trees set because others are not necessary.

Attached BT and Attention signs to and painted a red band around each BT. Bearings were taken with a staff compass, using a declination of 18° 30'E, to stamped brass washers nailed in the scribed red-painted blazes.

Distances were measured from a 60d spike, with an aluminum washer stamped PLS 699, which was driven into the side of each BT approximately one foot above the ground.

Set a steel fence post 5 feet S of the corner with an Attention sign attached. The monument is not a National Forest property corner.

I, Leland L. Myers, P.O. Box 98, Sumpter, OR 97877, do hereby certify that on August 19, 1986, I monumented the corner as herein described.
