

CERTIFIED RECORD OF LAND CORNER MONUMENTATION

History of original corner establishment:

Corner was established by Herman D. Gradon, US Deputy Surveyor, during the original survey Joint Contract No. 416 dated August, 1881.

Set basalt stone 12x12x5 ins. 8 ins. in the ground for 1/4 sec. cor. marked 1/4 on N face; from which

- A pine 40 ins. dia. bears N12°W, (68.7') 104 lks dist. marked 1/4 S BT
- A pine 15 ins. dia. bears S65°W, (23.8') 36 lks dist. marked 1/4 S BT

 PLS 699

Description of corner evidence found:

The corner position falls in the road bed of an old road and all evidence of the corner stone is gone.

- 27° Ponderosa pine (20' Broken Stub) (Scribing Visible) (1881 BT) bears N12° 15'W, 69.5 feet.
- The 15° pine bearing tree position falls under the west shoulder of the road.

Description of monument and accessories I established to perpetuate the original location of this corner:

Set a 2"x30" aluminum pipe with a 3/4" aluminum cap, marked as shown in the diagram, 36" in the ground to place the monument cap 6" under the road surface, at the point determined by the bearing tree. No mound is necessary, from which new BTs are:

- 8" Douglas-fir bears N82° 15'E, 30.5 feet scribed 1/4 S23 BT
- 11" Douglas-fir bears S18° 45'E, 38.5 feet scribed 1/4 S26 BT

Attached BT and Attention signs to and painted a red band around each BT. Bearings were turned from the control traverse with a theodolite, basis of bearing being a solar observation, to stamped brass washers nailed in the scribed red-painted blazes. Distances were measured from a 60d spike, with an aluminum washer stamped PLS 699, which was driven into the side of each BT approximately one foot above the ground.

Set a steel fence post 11 feet E of the corner with an Attention sign attached. The monument is not a National Forest property corner.

I, Leland L. Myers, P.O. Box 98, Sumpter, OR 97877, do hereby certify that on August 18, 1986, I monumented the corner as herein described.
