

**CERTIFIED RECORD OF LAND CORNER MONUMENTATION**

**History of original corner establishment:**

Corner was established by Herman D. Graddon, US Deputy Surveyor, during the original survey joint Contract No. 383 dated March, 1881.

Set stone 16x14x8 and built stone mound as per instructions for cor. to Secs 2, 3, 34 & 35 from

A pine 12 ins dia bears S85°E, (106.9') 162 lks dist

which

**DIAGRAM**

**Description of corner evidence found:**

16x16x8 rock with chisel marks on the E & W faces firmly set in a mound of rock.  
 25" Ponderosa pine (Good Condition) (Blaze Opened by Others) (1881 BT) bears S86° 30'E, 106.7 feet.

**Description of monument and accessories I established to perpetuate the original location of this corner:**

Set a 2"x30" aluminum pipe with a 3/4" aluminum cap, marked as shown in the diagram, 26" in the ground, replacing the rock which is turned upside down and buried on the north side of the monument. Improved the existing mound with rock & earth to be 28" in diameter by 4" high around the monument, from which new BTs are:  
 11" Ponderosa pine bears S61° 30'W, 38.8 feet scribed 110SR32E S3 BT  
 10" Ponderosa pine bears N60° 30'W, 30.4 feet scribed 19SR32E S34 BT  
 9" Ponderosa pine bears N39° 30'E, 41.1 feet scribed 19SR32E S35 BT  
 Attached BT and Land Survey Monument signs to and painted a red band around each BT. Bearings were turned from the control traverse with a theodolite, basis of bearing being a solar observation, to stamped brass washers nailed in the scribed red-painted blazes. Distances were measured from a 60d spike, with an aluminum washer stamped PLS 699, which was driven into the side of each BT approximately one foot above the ground. Set a steel fence post 5 feet N of the corner with a Land Survey Monument sign attached. The monument is not a National Forest property corner.

I, Leland L. Myers, P.O. Box 98, Sumpter, OR 97877, do hereby certify that on October 17, 1986, I monumented the corner as herein described.
