

CERTIFIED RECORD OF LAND CORNER MONUMENTATION

History of original corner establishment:

Corner was established by William R. Gradon,
US Deputy Surveyor, during the original survey
Contract No. 519 dated October, 1884.

Set a post 3 1/2 ft long 3 ins square 24 ins in the
ground for 1/4 sec. cor. marked 1/4 S on N face from
which

A tamarack 12 ins in diam bears N35°W, (9.9')15 lks dist. marked 1/4 S BT

A tamarack 14 ins in diam bears S35°W, (15.8')24 lks dist. marked 1/4 S BT

Description of corner evidence found:

There is an abundance of dead & down tamarack in the area of the corner
and a considerable amount of time was spent looking for evidence of the
original bearing trees. No evidence of the original corner could be found.

12" tamarack (1884 BT) not found. 14" tamarack (1884 BT) not found.

**Description of monument and accessories I established to perpetuate the
original location of this corner:**

Set a 2"x30" aluminum pipe with a 3/4" aluminum cap, marked as shown in the
diagram, 28" in the ground, at single proportionate measurements from
adjacent found corners. No rocks available to build a mound, from which new

9" Lodgepole pine bears N38° 15'E, 28.4 feet scribed 1/4 S20 BT

7" White fir bears S75° 30'E, 27.9 feet scribed 1/4 S29 BT

Attached BT and Attention signs to and painted a red band around each BT.
Bearings were turned from the control traverse with a theodolite, basis of
bearing being a solar observation, to stamped brass washers nailed in the
scribed red-painted blazes. Distances were measured from a 60d spike,
with an aluminum washer stamped PLS 699, which was driven into the side of
each BT approximately one foot above the ground.

Set a steel fence post 5 feet W of the corner with an Attention sign
attached. The monument is not a National Forest property corner.

I, Leland L. Myers, P.O. Box 98, Sumpter, OR 97877,
do hereby certify that on August 20, 1986, I
re-established the corner as herein described.
