**Description of monument and accessories I established to perpetuate the
original location of this corner:**

Set a 2"x30" aluminum pipe with a 3 1/4" aluminum cap, marked as shown in the
diagram, 24" in the ground, at the point determined by the bearing trees.
Built a mound of earth to be 24" in diameter by 6" high around the
monument, from which new BTs are:

5" Lodgepole pine bears S88° 15'E, 33.5 feet scribed 1/4 S28 BT

11" Western larch bears N8° 45'W, 6.9 feet scribed 1/4 S29 BT

Attached BT and Attention signs to and painted a red band around each BT.
Bearings were taken with a staff compass, using a declination of 18° 30'E,
to stamped brass washers nailed in the scribed red-painted blazes.
Distances were measured from a 60d spike, with an aluminum washer stamped
PLS 699, which was driven into the side of each BT approximately one foot
above the ground.

Set a steel fence post 5 feet S of the corner with an Attention sign
attached. The monument is not a National Forest property corner.

I, Leland L. Myers, P.O. Box 98, Sumpter, OR 97877,
do hereby certify that on August 5, 1986, I monumented
the corner as herein described.
