CERTIFIED RECORD OF LAND CORNER MONUMENTATION

History of original corner establishment:

Corner was established by Rufus S. Moore, US Deputy Surveyor, during the original survey Contract No. 382 dated March, 1881.

Set a basalt stone 18x12x7 and dug pits for cor. to secs. 15, 16, 21, 22 from which a

Pine 22 ins. diam., bears S72°E, (22.44') 34 lks. dist.

Description of corner evidence found:

Found a 15x12x8 stone with rare chisel marks.

25" Ponderosa pine (Dead)(Scribing Visible)(1881 BT) bears S73°45'E, 22.6 feet.

Description of monument and accessories I established to perpetuate the original location of this corner:

Set a 2"x30" aluminum pipe with a 2½" aluminum cap, marked as shown in the diagram, 26" in the ground, replacing the rock which is turned upside down and buried on the north side of the monument. Built a mound of rock to be 24" in diameter by 4" high around the monument, from which new BTs are:

12" Douglas-fir bears N35°W, 12.0 feet scribed T9SR31E S16 BT

7" Douglas-fir bears N57°E, 25.6 feet scribed T9SR31E S15 BT

9" White fir bears S47°30'E, 25.5 feet scribed T9SR31E S22 BT

11" Douglas-fir bears S35°W, 27.4 feet scribed T9SR31E S21 BT

Attached BT and Attention signs to and painted a red band around each BT. Bearings were turned from the control traverse with a theodolite, basis of bearing being the bearing between corners G-13 and N-13 as shown on Grant County Map of Survey No. 634, to stamped brass washers nailed in the scribed red-painted blazes. Distances were measured from a 60d spike, with an aluminum washer stamped PLS 699, which was driven into the side of each BT approximately one foot above the ground.

Set steel fence posts 5 feet N and 5 feet W of the corner on the National Forest boundary lines. Attached Forest Boundary signs to each post and an Attention sign to the N post.

I, Leland L. Myers, P.O. Box 98, Sumpter, OR 97877, do hereby certify that on November 12, 1989, I monumented the corner as herein described.
