CERTIFIED RECORD OF LAND CORNER MONUMENTATION

History of original corner establishment:

Corner was established by Rufus S. Moore, US Deputy Surveyor, during the original survey Contract No. 382 dated March, 1881.

Set a basalt stone 14x10x8 in a mound of stone for 1/4 sec. cor.

Description of corner evidence found:

An old fence corner is very near to the corner location. There was a mound of rock under the fence corner rock jack and two or three stones of appropriate size for the corner stone, but no markings could be found. The mound at the old fence corner was accepted as the corner.

Description of monument and accessories I established to perpetuate the original location of this corner:

Set a 2"x30" aluminum pipe with a 2½" aluminum cap, marked as shown in the diagram, 20" in the ground to solid rock, replacing the rock which is turned upside down and buried on the north side of the monument. Improved the existing mound with rock to be 46" in diameter by 10" high around the monument, from which new BTs are:

An aluminum monument stamped "GPS, 9-31-33-SWNE, 1988, MARILYN" was found bearing N12°W, 206.75 feet.
6" Juniper bears N30°30'W, 25.6 feet scribed 1/4 S33 BT
5" Juniper bears S18°45'W, 28.6 feet scribed 1/4 S4 BT

Attached BT and Attention signs to and painted a red band around each BT. Bearings were turned from the control traverse with a theodolite, basis of bearing being the bearing between corners G-13 and N-13 as shown on Grant County Map of Survey No. 634, to stamped brass washers nailed in the scribed red-painted blazes. Distances were measured from a 60d spike, with an aluminum washer stamped PLS 699, which was driven into the side of each BT approximately one foot above the ground.

Set a steel fence post 5 feet N of the corner with an Attention sign attached. The monument is not a National Forest property corner.

I, Leland L. Myers, P.O. Box 98, Sumpter, OR 97877, do hereby certify that on September 27, 1989, I monumented the corner as herein described.
